

# Center Stage Payment Plans

Below are the payment options for Center Stage monthly tuition.

Please read the options and select which one you will be using for your tuition for the 2020 - 2021 season.

Thanks for taking a moment to let us know your payment option for this year.

**Students may not begin classes until their account is set up for the year.**

#1 Option Center Stage will automatically debit your checking/savings account automatically on the 15th of each month. ACH Draft form with necessary information must be completed.

#2 Option Pay your tuition for months September through June in one payment. With this payment, you will receive a gift certificate valued at one month's tuition to The Dancer's Loft to purchase shoes and/or dancewear. If you drop during the year your refund will be minus one month tuition since you received that in the form of a gift certificate.

#3 Option Pay with check. On or before September 10, 10 checks are prewritten for the monthly amount of your tuition. Checks are dated for September 15th, October 15th, November 15th and so on. On the 15th of each month, your check is pulled from your child's file and deposited for tuition payment.

Student Name \_\_\_\_\_

My preferred payment plan for Center Stage for 2020 - 2021 is:

\_\_\_\_\_ Option #1 I am filling out ACH Draft form for this option. ACH drafting will begin September 15th.

\_\_\_\_\_ Option #2 I will be sending payment in full for the year and receiving a gift certificate.

\_\_\_\_\_ Option #3 I will be sending ten checks dated for the 15th of the month beginning September through June. I understand my checks will be held until the 15th of each month in my child's file and deposited on that date.
